Dear Sir

LETTER OF GRATITUDE: UNIFORM DONATION

The Mandeni Primary School Governing Body would like to extend the words of gratitude on behalf of parents, teachers and learners, for the love you shared by giving 35 disadvantaged learners, full school uniform in March 2023.

We acknowledge that it was not the first time your organization gave our learners such support, you have been pioneers of giving breakfast (porridge) to learners from June 2022 to June 2023, and you contributed in making sure that Mandeni Primary School learners were fed during the time of transition, where most schools could not feed their learners.

We really appreciate your giving back to our community. May God bless you and your family abundantly.

Yours truly

V.K. Mkhize (SGB Chairperson)
